## Pet Owner Agreement

The parties hereto agree as follows: (please initial each line)- "Owner" represents the "Human's Name" on our contract.

\_\_\_\_\_ Owner represents that their dog is in all respects healthy and does not suffer from any disability, illness or condition which could affect said dog, other dogs, or staff's safety at INN The DogHouse, LLC. Owner represents that their dog is non-aggressive to other dogs and people.

\_\_\_\_\_ Boarding extremely old, chronically ill or otherwise debilitated pets requires extra care, which our caring and trained staff is happy to provide. However, special-needs pets, puppies and senior pets naturally have a higher risk of injury, stress-related illness, or exacerbation of any pre-existing condition. As such, by boarding your special-needs pet, puppy or senior pet with us you are waiving any claim for injury or illness experienced by your pet while in our care and that is not directly caused by the negligence or lack of care on the part of our staff.

\_\_\_\_\_ Owner agrees to provide updated vaccination and veterinary records upon request and understands that refusal to do so will prevent their dog from attending INN The DogHouse until such records are provided.

\_\_\_\_\_ Owners agrees that INN The DogHouse, their staff and volunteers, will not be held liable for any problems that develop provided reasonable care and precautions are followed, and hereby agree to release them and hold them harmless from any liability from their dog's attendance and participation at INN The DogHouse.

\_\_\_\_\_ **Owner assumes all financial responsibility for any problem that develops with their dog while at INN The DogHouse including medical costs (for any injury sustained in our facility), destruction of equipment, materials structures or property.**

\_\_\_\_\_ Owner understands and agrees that dogs will be intermingled with other dogs while boarding and in daycare. Kennels may be used at our discretion for the comfort of our entire group of dogs. If a dog is not spayed/neutered and this causes friction in the room, Owner understands that their dog will be placed into kennel daycare and or time out to prevent fights from breaking out in group play.

\_\_\_\_\_ **Owner understands that although INN The DogHouse requires that all dogs attending are healthy and up-to-date on vaccinations, some contagious illnesses may not show symptoms that can be detected by the owners or INN The DogHouse staff. Since the dogs are intermingling, there is a chance that your dog may contract a contagious condition such as kennel cough or an intestinal parasite. Owner recognizes that the benefits of an interactive playgroup are valuable to my dog and accept the potential risks. Owner understands that any and all veterinary costs from illnesses are at owners expense.**

\_\_\_\_\_ **Owner understands that INN The Doghouse is a highly physical environment that may exacerbate pre-existing conditions such as arthritis, orthopedic issues and exercise intolerance. Owner recognizes that the benefits of an interactive playgroup are valuable to my dog and accept the potential risks.**

\_\_\_\_\_ Owner agrees to pay for services at the dog's check-in into INN The DogHouse. Payment is accepted in cash, check or credit card. A \$25 fee will be assessed for each check returned by a financial institution. **INN The DogHouse has a no refund policy and owner agrees that all deposits, purchases or monies collected will not be refunded, however, it will be credited to owners account until the credit is used. There is no expiration on the credit given. Boarding Check-Out is at 12pm on day of pick-up, if later than 12pm, daycare fees apply.**

\_\_\_\_\_ Owner agrees to pick up their dog by the close of business, if the dog is picked up after the close of business the owner agrees to pay any additional charges set forth by INN The DogHouse.

\_\_\_\_\_ Owner understands that upon entering INN The DogHouse, their pet will be checked for fleas/ticks. If flea/tick are found, a flea/ /tick bath and/or treatment will be administered at owners expense.

\_\_\_\_\_ **Owner agrees to authorize emergency medical care to be provided by our house veterinarian, or an appropriate alternate to be determined by INN The DogHouse in the event my regular veterinarian is not available or that closer care is required. Owner will reimburse INN The DogHouse for any charges related to emergency care for their pet. This includes but is not limited to bites, nail scratches, stitches, sprains, raw paw pads, injuries to feet, and any other injury that can occur in a group play environment.**

\_\_\_\_\_ Owner understands and agrees that INN The DogHouse will exercise all due diligence and care in the guardianship of their pet. Owner hereby waives and releases INN The DogHouse, its employees, owners and agents from any and all liability of any nature, for injury or damage, including that which may result from the action of any dog including their own, and the owner expressly assumes the risk of such damage or injury while their dog participates in or attends any function of INN The DogHouse, while on the grounds or the surrounding area thereto. Owner has read and agrees to the terms of this contract. Owner warrants that they have the authority to represent any and all other owners of this pet in signing this contract.

\_\_\_\_\_ Owner agrees that photos of their pet may be taken and used on our social media sites and agrees to allow these photos to be used for business use including but not limited to any advertising, newsletters, social media, brochures, photos in our shop ect.

**I certify that I have read and understand this agreement. I accept all the terms, conditions and statements of this agreement.**
